TEACHING & LEARNING

IN A GLOBAL COMMUNITY

Purpose: To shape the future of International Education in Washington State.

Audience: Teachers, Parents, Higher Ed, Students, Preschool, Non-profits, Cultural groups, Governmental agencies, Policymakers, Media

Cost: Complimentary.

Highlights:

- »Interactive sessions and breakouts
- »Principals' Roundtable
- »Clock hours for teachers
- »Technology Demonstrations

Topics we'll explore:

- »What is the impact of Global Perspectives on Diversity and Citizenship Education?
- »What is our vision for language learning Preschool-Graduate School?
- »Where does International Education fit into the Washington State Standards and Assessments for Social Studies?
- »Why does "cultural competence" matter to business?
- »Are meaningful "virtual" exchanges using technology possible?
- »How can teachers integrate a global perspective into existing curriculum?
- »If we believe International Education is important, what can we do about it?
